Streamlined Payments Process On InvestMalaysia Portal

Dear Valued Stakeholders,

Effective **3rd March 2025**, all payments for application submissions and digital certificate purchases must be made exclusively through the InvestMalaysia Portal at (<https://investmalaysia.mida.gov.my>). The MIDA MPayChannel will no longer be available for these transactions.

Key Updates

- 1 All evaluation and issuance fees must be paid directly through the InvestMalaysia Portal, manual receipt downloads or attachments are no more required.
- 2 Digital certificate purchases and registrations are now fully integrated within the system, eliminating the need to log in separately to the MYCRS System.
- 3 Payments made outside the InvestMalaysia Portal will not be accepted or considered valid for application processing.

Important Action Required

- 1 If payment has already been made via MPayChannel, the application must be completed and submitted through the InvestMalaysia Portal before the implementation date to avoid any inconvenience.
- 2 If payment has already been made before the implementation date, please note that payment receipts will no longer be accepted as attachments in the InvestMalaysia Portal as proof of payment. To proceed with your submission, please refer to the user guide for further instructions.

Our Customer Service team is readily available to assist with any questions or clarifications at **03-2267 3633**. Alternatively, you may submit your inquiries through the InvestMalaysia Portal.

Thank you for your continued confidence in MIDA.
